Welcome Back!

Hello Families and welcome to a brand-new school year! I am the school counselor at the Rodgers School. This is my 4th year at the Rodgers School and my 15th school year with the Glassboro School District!

I live in Gibbstown with my husband, Phil and two sons, Landon (10) and Cameron (7). My family and I love to spend time outdoors. Going to the beach, riding bikes, and fishing are just some of the things we enjoy. I also love to read!

I am excited to see our returning students and getting to know our new students and families. Working collaboratively with students, families and teachers is essential to maximize student growth. Please feel free to reach out to me throughout the year with any questions or concerns you may have.

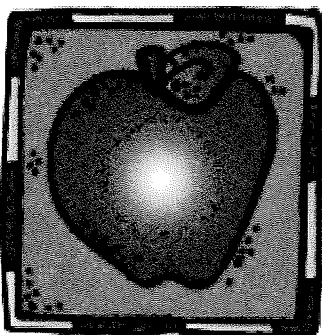

Wishing you all a happy, healthy and successful school year!

Counseling Services

Classroom Lessons: I will be visiting Kindergarten classrooms once a month to reinforce our virtue for each month. Lesson topics will be included in my monthly newsletter. Additional information and supports for reinforcing the skills at home may be included as well.

Individual Counseling: I am available to provide support on an individual basis to students in need. If you feel that your child could benefit from counseling, please contact me. Teachers may also reach out with student concerns and counseling requests.

Small Group Counseling: Small group counseling is available for students who may benefit from extra support working on behavior and social/emotional skills. Small group topics are based on students' needs and will be determined as the year progresses. Families, teachers and other support staff can refer a student for group counseling.
