Dear Fans of Glassboro Athletics:

As I enter into my seventh year as the Athletic Director for the Glassboro High School, I want you to know that I am very privileged to serve in this position. I have been fortunate to watch some of the state's finest athletes compete for Glassboro High School athletic teams. Glassboro has a strong tradition in athletics and it is a tribute not only to those who have competed but to those who have supported the athletic teams over the years.

Tonight we honor Patti Aliberti, Carla Camino, Mario Ayala, Gary Brackett, Dan Corradetti, Sue Davis, Howard Davis, Jim Lingerfield, Victor Mangeney, Coach Jean Bower and the members of the 1975 State Champion Field Hockey team. They have all brought honor to Glassboro High School and the Community of Glassboro. As a member of the committee, I proudly salute your efforts with the induction into the Glassboro Athletic Hall of Fame.

I would like to extend a sincere thank you to all who have supported tonight's induction ceremony and to the student athletes who have brought honor to Glassboro High School athletics. Your support is vital to the success of tonight's banquet and it makes all the difference in the world to those who we honor tonight.

Congratulations to tonight's inductees. I am proud of you and your accomplishments.

Sincerely,

Jeff Cusack

1975 - State Champions

1975 Field Hockey Team

The 1975 field hockey team's motto was "Take Each Game as it Comes". The nine seniors made up this motto and provided the leadership to carry it out. They defeated last year's State Champions in their first game and that started a tremendous winning season. After capturing the Olympic Conference title, they advanced to become the South Jersey Group One Champions. The state crown was their dream and on November 22, 1975, they were victorious and a dream became reality. They were number one. The team was coached by Mrs. Jean Bower (head coach) and Mrs. Joy Heritage-Solomen.

Team members include Patti Aliberti Crossman, Jan Bower Jenkins, Laura DiBenedetto DePhillipo, Sue Davis Donaldson, Kim Groff, Julie Groff Ford, Sid Hurff Desiderio, Patti Kerr Winans, Carol Sue Lynch Eger, Wendy May Hood, Debbie, Debbie Sampson, Sharon Sergi, Linda Sharbo Caldwell, Tess Werner Morrison, Monica Wisniewski Dana - MGR and Barbara Meyers - MGR.

VICTOR "CHUG" MANGENEY - '69

Victor "Chug" Mangeney is an icon at Glassboro High School football. As an 8th grader in 1964, Chug was recruited to keep statistics for the football team by then Head Coach Jim Doyle. He's been keeping the game stats ever since. He took a brief stint to attend Lycoming College, where he kept stats for their football team. After graduation, Chug returned to the Glassboro sidelines and has missed very few games in the past 32 years. He's kept stats for the legendary Marv Slomsky, John Aveni, Bob Cleary and now for Herb Neilio.

He meticulously writes down yardage and tackles for every play. He rarely misses a game, no matter what the weather. Rain, monsoon, sleet, snow or bitter cold never keeps Chug from the sidelines.

The media knows him as "stat guy" but we know him as "Chug." He got his nickname from his father for the way he would drink his milk. Victor didn't like milk!

Chug is a humble man, disciplined and dedicated. He is a very valuable member of our football staff. Coach Neilio says, "You won't find many with Chug's dedication." Chug roams the Glassboro sidelines, keeping offensive and defensive statistics which he prepares for coaches and hand-delivers to media reporters and announcers following the games. He also attends film sessions with the coaches to make sure that his defensive stats are accurate.

Victor "Chug" Mangeney is a remarkable individual who is dedicated to the kids of Glassboro. He will tell you, "It's for the kids."
