ATTENDANCE

Glassboro High School's Attendance Policy allows for no more than ten (10) unexcused absences per year. Any student attending Glassboro High School who exceeds ten (10) unexcused absences forfeits the opportunity to gain course credit for all classes attempted. However, students may attend Credit Recovery (CR) in effort to earn credit for unexcused absences. A total of five (5) school days may be made-up. For each unexcused absence, a student must attend two (2) credit recovery sessions. The number of days in which a student is able to schedule Credit Recovery (CR) is limited. Therefore, administration strongly encourages students to schedule and attend CR within thirty days of exceeding ten (10) unexcused school days.

GRADES

Glassboro Public School District prioritizes learning, not grades. Therefore, we offer students a second chance on summative assessments if they earn below an 80 (the district's threshold for demonstrating proficiency). This practice shifts the focus to learning and growth and invites students to reflect on the feedback they receive which keeps them focused on learning and encourages them to grow as intellectuals.

Students wishing to take advantage of this opportunity must reach out to their teacher of record within two (2) days of receipt of their grade. The teacher will then provide additional opportunities for the student to further their understanding of the deficit skill. These opportunities are referred to as learning demonstration activities (LDAs) and are designed by the teacher and unique to each course. LDA's must be completed prior to reassessment. Note -Time is of the essence. Therefore, students have seven days in total to a) schedule a reassessment, b) complete their assigned LDA's and c) reassess.

Additionally, we offer the following resources to help students with coursework:

- **Math Tutoring**
 - Ms. Spadafora (TSpadafora@gpsd.us)
- **Tutoring Provided by NHS**
 - MMemis@gpsd.us
- **I&RS** (Intervention and Referral Services)
 - Contact CDuffey@gpsd.us for more details
 - Staff Mentoring
 - Study Skills Sessions
 - Personalized Action Plans

DISCIPLINE

Students seeking to reduce their discipline points in order to be eligible for sports and extracurricular activities can attend our Restorative Justice Workshops. Workshops provide students with opportunities to reflect on their behavior and the effects their behaviors have on the larger community. In addition, students learn self-worth and coping techniques, thus creating a caring and supportive school environment. Workshops are only offered twice a month and are limited. Therefore, students must sign up in advance by contacting their assistant principal.
