

RODGERS SCHOOL & BULLOCK SCHOOL

# Fox in Socks

## SOCK DRIVE

MARCH 4-18, 2024

Our Goal is to  
beat our last year  
total of 2,000  
socks!

## How it Works

To celebrate Read Across America Week, our goal is to collect one (1) pair of new socks for men, women, children, and babies from each student at the J. Harvey Rodgers School and the Dorothy L. Bullock School in PreK – 5th grade. Socks are the most under donated item and yet are the most needed year-round!

## Community Partnership

Socks will be donated to The Samaritan Center of Glassboro, Inc. Food Bank and will be given out to members of our own community. We will take any socks for any age group! The Samaritan Center of Glassboro let us know that crew socks are best if you are purchasing adult socks and they are typically short on adult men's socks.

## Important Dates

Monday, March 4th - Sock Drive Begins
