## Bulldog P.R.I.D.E. Updates

October 2024

As we continue with our district-wide character development initiative *Bulldog P.R.I.D.E.*, we are paying special attention to increasing the character of our young people. It is the district's firm belief that this will not only improve our schools but have a life-long benefit for every one of our students. Our character virtue for the month of September was Wisdom. This past Friday, we announced our Bullock Bulldogs of Character who were selected by our staff for showing Wisdom. This month, we are focusing on the virtue, Integrity. We can show integrity by following the rules, being honest, and telling the truth.
