

DLB PARENT NEWSLETTER

DECEMBER
2024

REMINDERS

Any changes in a student's dismissal must be communicated in writing/ email to the classroom teacher. This communication should be made by 1:00 PM so we can plan appropriately. This also includes if you will be picking up a student early. Any parent arriving after 2:45 will be sent to our parent pick-up location.

Cell phones and smartwatches are to remain off and in student's bookbags.

Third to fifth grade parents, please remember to check Power School regularly. If you need assistance accessing Power School, please contact our main office.

As we head into the winter months, please be aware that information regarding school closures and late arrival will be sent via School Messenger. Please check Power School to update contact information to ensure you receive all updates and school information.
