CLOSING/DELAYED OPENINGS & EMERGENCY ANNOUNCEMENTS

Should an emergency arise or severe weather conditions make roadways impassable, we may need to close schools or have a delayed opening. Notice of such closing or delayed opening will be made via telephone through School Messenger (the automated phone system), posted on the GPS website (www.gpsd.us) and social media pages, and broadcast over radio/television stations starting at 6:00 AM.

The Glassboro Public Schools code number for school closing/delayed opening is 805.

The school district's emergency telephone closing number is **856-652-2700, Option 7**. This telephone number will be in service from 6:30 A.M. to 8:00 A.M. on inclement days during the winter months. Please do not telephone the high school office or the local police department.

To ensure you receive these messages and others, please be sure the guidance department is kept up to date with current phone numbers and contact information.

TRANSPORTATION

School bus service is maintained to provide transportation to and from school for eligible students. Please arrive at the bus stop ten (10) minutes prior to the scheduled pickup time and wait until ten (10) minutes after the scheduled pickup time before leaving the bus stop. During the commute to and from school, students **are to remain seated at all times and refrain from disruptive behavior. Failure to follow the directives of the bus driver and/or causing a disruption will result in discipline and/or removal from the bus.**

Note: Students are to ride only on their assigned bus and not on any other bus unless there is an emergency that has been brought to the attention of the administration and transportation.

ALTERNATE TRANSPORTATION IN AN EMERGENCY

Any student requesting permission to ride home on another student's bus or any other alternate form of transportation must have notes of approval from his/her parent/guardian and the parent/guardian of the student with whom he/she will be riding home. Students must present their notes at the main office. Requests will be granted based on the nature of the emergency and the occupancy of the bus.

Note: These procedures apply to emergency situations only as we are not in a situation to honor requests for social conveniences. Telephone calls and emails will not be accepted.

LATE BUS

Afternoon buses are provided for students staying after school. However, they do not travel the same route as the regular bus. Door-to-door transportation is not possible; therefore, a perimeter route has been designed to drop off students.

CAFETERIA AND LUNCH PROCEDURES

As part of an allergy management plan, students are prohibited from bringing food into the Media Center and/or eating in class. Food is only to be consumed in the cafeterias. More information on Glassboro High School's Allergy Management Plan can be found in [Board Policy #5331, Management of Life-Threatening Allergies in Schools](#).

SAFETY AND SECURITY

DRILLS AND EMERGENCY EVACUATIONS

[NJ State Law 18A:41-1](#) states that every school shall have at least one fire drill and one school security drill each month.

VISITORS/STUDENT PICK UP

Visitors must present a valid ID to enter the building. Parents/guardians wishing to pick up their child must be listed in PowerSchool as the parent/guardian of record. If someone other than a parent/guardian is picking up a child, written documentation and identification will be required, and the adult must be listed as an emergency contact in PowerSchool. Except in cases of emergency, parents/guardians are encouraged to notify the school in advance of their arrival. Note - Glassboro High School uses LobbyGuard as its visitor management system and as an added layer of security. All visitors will have his/her IDs scanned upon entering the school.

PARENT ITEM DROP OFF

In order to minimize disruptions to the academic environment and promote students' personal responsibility, it is respectfully requested that parents attempt to avoid dropping off food items during the school day. Instructional time will not be interrupted for routine issues or to ask a student to come pick up forgotten food items. In addition, the main office does not have a secure place to leave such items. For emergencies, Glassboro High School has implemented the following with regard to items dropped off at school by parents:

- Student lunches that are delivered after the start of the school day will be able to be claimed by the student at the start of his/her lunch period.
- At no time will fast food, pizza, beverages, and/or any other items from restaurants or outside vendors be accepted, even if dropped off by a parent/guardian.

Thank you for your support, assistance, and understanding, as Glassboro High School seeks to maintain a productive and distraction-free classroom environment. If a child forgets his/her lunch, the cafeteria will provide the student with lunch to be charged to the student's account. No student will be refused a meal if one is needed.

HEALTH SERVICES

[Glassboro School District Board of Education – Policy 5310](#)

There is a certified school nurse available during the school day to address the health care needs of students. In the event a student is ill or injured during the school day, the school nurse will evaluate the student to determine whether he/she is able to return to class, needs

to go home, or requires immediate medical attention. Medical treatment will be administered according to standing orders from the school physician.

A certified athletic trainer is available after school for medical care or emergencies. Athletic injuries that occur on campus after school hours are to be reported to the athletic trainer for immediate attention and insurance documentation.

HEALTH SCREENING INFORMATION

As part of the School Health Services program provided in the Glassboro Public Schools, children will have screenings performed by the school nurse. Periodic medical screenings are an important health promotion endeavor since they may identify a potential problem that could have an impact on a child's health and education. Please review the list below to see what screenings your child will receive during this school year. If you are concerned that your child may have a problem and he/she is not due to be screened this year, please contact the school nurse, who will be more than happy to complete the specific screening. Please keep the nurse informed of any Emergency Card phone number changes as well as any changes in your child's health status by contacting GHS Nurse Ms. Erin Perewiznyk. T: 856-652-2700 ext.1311 or by email at - EPerewiznyk@gpsd.us.

Reference: Policy 5330.**

ATHLETIC PHYSICAL EXAMINATIONS

Preparticipation Physical Evaluation (PPE)

A preparticipation physical evaluation (PPE) must be submitted prior to participation in school-sponsored interscholastic and intramural sports. According to N.J.A.C. 6A:16-2.2(h)1ii(4), an incomplete form shall be returned to the student's medical home for completion unless the missing information is available from health screenings completed by the school nurse or physician within the prior 365 days. Note - A medical home is described as a health care provider's practice site chosen by the student's parent/guardian for the provision of health care. If the student does not have a "medical home," the district may provide the examination in the Health Office by the School Medical Officer.

In addition, according to N.J.A.C. 6A:16-2.2(h)1iv and N.J.A.C. 6A:16-2.3(a)3iv, each district shall provide to the parent written notification signed by the school physician stating approval of the student's participation in athletics based upon the PPE or the reasons for the school physician's disapproval of the student's participation. Further, in accordance with N.J.A.C. 6A:16-2.3(a)3iii, the school physician may conduct student physical examinations in the physician's office or another comparably equipped facility for students who do not have a medical home or whose parent has identified the school physician as the medical home for the purpose of the sports physical examination.

All required forms for participation in sports are available on the [Health Services](#) webpage or may be downloaded from the Glassboro High School website: [Athletic Forms](#).

STUDENT ACTIVITIES

Glassboro School District Board of Education - Policy 2431

The Board of Education recognizes the value of athletic competition as an integral part of the total school experience. Game activities and practice sessions provide opportunities to learn the values of competition and good sportsmanship.

INTERSCHOLASTIC ATHLETICS

The interscholastic athletic program is an integral part of Glassboro High School's total educational experience. Interscholastic athletics provide wholesome competition against other schools for the athletically talented student in a variety of sports and stimulate school spirit and pride among the student body and school district citizenry. Glassboro High School competes in interscholastic athletic contests in accordance with the rules and regulations set forth in the Constitution and By-Laws of the [New Jersey State Interscholastic Athletic Association \(NJSIAA\)](#).

SCHOLAR ATHLETE

Students who achieve a minimum grade point average of 3.50 or higher during the academic year will be awarded a certificate and pin, distinguishing them as Scholar-Athletes. Cumulative GPAs **ARE NOT** accepted.

CARE OF SCHOOL PROPERTY

Respect is an important foundational factor in the development and maintenance of a healthy learning environment. Respectful learning environments are achieved when students respect each other and adults. Respecting the school environment is just as important. Students who damage or deface school property will face disciplinary consequences, which can include restitution, suspension, and expulsion.

OBLIGATIONS

Students are responsible for all obligations. Obligations include but are not limited to, lost or damaged textbooks and library books, debt to the cafeteria, musical instruments, and school-issued computers. In order to participate in extracurricular events or activities, students must resolve all fines. Obligations follow students through high school and may prevent them from graduating until all outstanding obligations are met. Students transferring out of the school district must rectify outstanding obligations in order to ensure the timely transfer of school records.

CELL PHONE POLICY

Students are required to silence their phones/devices and put them away during instructional time. Students may only use their phones if they obtain express permission from the teacher for an educational benefit. Students who violate this policy will be held accountable pursuant to the code of conduct.

LOCKERS AND SCHOOL-ISSUED LOCKS

At the beginning of each school year, students are assigned lockers and issued locks. **Lockers are property of Glassboro High School and reasonable suspicion warrants them to be searched without notice.** Lockers may also be searched in the interest of school safety, sanitation, enforcement of school regulations, and by law enforcement officials on the presentation of a proper warrant. **When items are stored in a student's locker, the student takes ownership of said items. Therefore, the sharing of lockers is prohibited.**

Note - Lockers secured with an unissued lock will be cut at the owner's expense. Locks that are lost or misplaced will be billed at a cost of \$10.00.

Restitution of lost or stolen property is not the responsibility of the school. Therefore, ***valuable items are not to be brought and/or stored in school.***

Physical Education Lockers

Students are permitted to use the lockers in the locker rooms during their physical education class. Students utilizing said lockers are encouraged to bring a lock to school to secure their physical education locker during class. Lockers are not permitted to be used and/or secured for a time period exceeding the students' PE class.

Sport Lockers

These are assigned for a single season. At the conclusion of the season, all materials must be removed, and the lock removed. If the lock is not removed, maintenance will remove it to free up the locker.

STUDENTS' RIGHTS

[Click here for a full list of BOE Policies Concerning Student Rights](#)

DRESS CODE

[Glassboro Public Schools Board of Education – Policy 5511](#)

[Glassboro Public Schools Board of Education – Regulation 5511](#)

The Student Dress Code is designed to support equitable educational access and should not increase marginalization or oppression of any group based on race, gender, ethnicity, religion, sexual orientation, socioeconomic status, or cultural observance.

While we believe that the primary responsibility for a student's attire resides with the student and his or her parent(s) or guardian(s), the school takes its responsibility to establish and enforce a dress code that:

- does not interfere with the health or safety of any student;
- does not contribute to a hostile or intimidating school environment;
- respects the District's intent to sustain a community that is inclusive of a diverse range of identities; and,
- affords students opportunities for responsible decision-making.

Acceptable attire:

- Shirts that touch a pants waistband when in a relaxed position.
- Pants, jeans, or the equivalent worn at the hips or higher.
- Shirts that cover the front, back, and sides and do not expose the mid-section (i.e. tank tops, spaghetti straps, off-the-shoulder shirts, and halter tops are permitted);
- Religious head coverings
- Open-toed shoes and sandals, except in specific cases when requested by the teacher for safety reasons (gym class, science labs, etc.).

Unacceptable attire:

- Shirts that expose the midsection – i.e. tube tops, midriff-baring shirts, or crop tops
- Pants or jeans that sit below the hip, exposing the midsection.
- Sunglasses (unless prescribed by a doctor and a doctor's note is provided).
- Shorts, skirts, and dresses that are above the first length.
- Clothing or accessories with offensive, distasteful, or suggestive images or language. (e.g. profanity, hate speech, and erotic language/images.)
- Clothing or accessories that denote, suggest, display, or reference alcohol, drugs, or related paraphernalia, weapons, or other illegal conduct or activities.
- Clothing or accessories that will interfere with the operation of the school, disrupt the educational process, invade the rights of others, or create a reasonably foreseeable risk of such interference or invasion of rights.
- Accessories that could be considered dangerous or could be used as a weapon.
- Robes, blankets and/or pillows.
- Outerwear and head coverings (heavy jackets, overcoats, rain gear, gloves, hoods, hats, baseball caps, bandanas).

Students are expected to abide by the dress code expectations noted above, and teachers will enforce compliance in a manner that is fair and consistent and aligns with the District's communicated philosophy, ensuring there is not an increase in marginalization or oppression of any group based on race, gender, ethnicity, religion, sexual orientation, socioeconomic status or cultural observance.

ATTENDANCE

LATE ARRIVAL AND EARLY DISMISSAL

[Glassboro School District Board of Education – Policy #5230](#)

The Board of Education requires that pupils attend the full school day in order to benefit from the instructional program. That requirement will be waived only when compelling circumstances require that a pupil be late to school or dismissed from school before the end of the school day.

The Principal may excuse for cause the late arrival and early dismissal of a pupil on the prior written request of the pupil's parent(s) or legal guardian(s). Good cause may include, but need not be limited to, medical and dental appointments that cannot be scheduled outside the school day, medical disability, a motor vehicle driver's test, interviews for college entrance or employment, and court appearances.

No pupil under the age of eighteen will be permitted to leave the school before the end of the school day except in the presence of the pupil's parent(s) or legal guardian(s), or an agent of the parent(s) or legal guardian(s) who has written authorization, or in the custody of agents of the state acting in their legal capacity.

The Principal shall maintain a record of each pupil's parent(s) or legal guardian(s). If one parent has been assigned custody of the pupil by court order or separation agreement and wishes to limit the non-custodial parent's access to the pupil, the parent in custody must inform the Principal of any such limitation and may request that his/her authorization be required before the noncustodial parent is granted access. In the absence of such notice, the Principal will presume that a pupil may be released into the care of either parent.

A pupil who suffers an incapacitating medical disability will be released from school only in the presence of an adult.

[Late to School \(LTS\) and Late to Class \(LTC\)](#)

Students who are not in their first bell class (homeroom) by 7:30 are considered late to school (LTS). The lateness will be entered into our system, and the student will be issued five (5) discipline points.

To alleviate loitering in the halls between classes and hold students accountable for lateness to class, the following procedure for late to class (LTC) has been established: **Teachers are to record in PowerSchool all students who are LTS and/or LTC. Upon the third offense of LTS or LTC, the teacher will submit a referral in which the administration will administer consequences in accordance with the Student Code of Conduct.** Once a student reaches twenty-five (25) points, he/she will become ineligible for athletics, extracurricular activities, and all school-related functions until the student's point total reduces to fifteen points and the student has gone thirty (30) days without earning any additional points/discipline.

GHS ATTENDANCE Q&A

[Glassboro School District Board of Education – Policy #5200](#)**Why is my student's attendance calculated and tracked at Glassboro High School?**

Pursuant to *N.J.S.A. 18A:38-25 and 26 and N.J.A.C. 6A:32-8.3.*, Glassboro High School calculates and tracks a student's (1) daily attendance and (2) period attendance for the purposes of determining promotion, retention, truancy, grades/course credit, and violations of the school Code of Conduct.

What is the difference between daily and period attendance?

Daily attendance is the frequency of days that a student attends school. Period attendance is how often a student attends class. *Note – Students who are marked absent in two or more classes during the course of the school day without a verified A.M. or P.M. excused absence will be marked absent for the full school day.*

What happens if my child is persistently absent from school?

Glassboro High School's Attendance Policy allows for no more than ten (10) unexcused absences per year.

Pursuant to *N.J.S.A. 18A:38-28 through 31*, truancy is defined as ten (10) unexcused absences, and chronically absent is defined as being absent ten percent or more of the school year (18+ days). *Note - State excused absences do not count towards truancy or a student's total absences.*

Students who accumulate an excess of ten (10) unexcused absences during the course of the school year will have to attend a credit completion program.

Once a student reaches eighteen (18) absences (excused or unexcused), they will be placed on no-credit status and will have to repeat the entire year, regardless of earned grade.

What counts as an excused absence?

The following are the five allowable reasons for a state-excused absence:

- Religious observance (*N.J.A.C. 6A:32-8.3(h)*);
- A college visit (up to 3 days per school year for students in grades 11 and 12);
- "Take Our Children to Work Day" or other rule issued by the Commissioner;
- Participation in observance of Veterans Day (*N.J.S.A. 18A: 36-13.2*) or district board of election membership activities (*N.J.S.A. 18A: 36-33*); or
- The closure of a busing district that prevents a student from having transportation to the receiving school.

Note – Glassboro Public Schools will take into consideration absences related to a documented chronic illness, court-ordered appearances, death in the immediate family, medical quarantine, and days relating to sickness/well-being as documented by a licensed medical practitioner.

However, these days are subject to credit recovery.

What happens if my child has excessive daily absences?

For cumulative, unexcused absences of ten (10) or more, the student between the ages of six and sixteen is truant, pursuant to N.J.S.A. 18A:38-27, and the school district shall make a mandatory referral to the court program required by the NJ Administrative Office of the Courts. In addition, as per NJ State mandate a student with ten (10) consecutive unexcused absences will be removed from the rolls after a designated investigation period.

ABSENTEEISM

Students in grades 9-12 are required to attend each class every day that school is in session. **In order to be eligible to participate in extracurricular activities or school events, a student must be present for the full school day or have a documented AM/PM absence (Ex – physician note or court documents).** Students who are absent from school are not permitted to be on school property for any reason.

PERFECT ATTENDANCE

Perfect attendance means a child is present every day school is in session during the school year. The child must be present for each class; therefore, a child cannot have any tardies or early dismissals to have perfect attendance. A certificate of perfect attendance will be presented at the end of the school year. **With the exception of religious holidays, excused absences void perfect attendance.** *Note - Any pupil absent from school because of a religious holiday that is listed/approved by the NJ Department of Education will not be deprived of any award because of such absence.*

CHRONIC ILLNESS

Parents should submit a doctor's note to the health office indicating the nature of the chronic illness and how it may affect a student's school attendance. The doctor's note should be filed with the school at the beginning of the school year or at such a time when a chronic illness is identified. After the doctor's note has been submitted to the school, parents must verify each absence pursuant to the following guidelines in order to have the absence recorded as excused: (1) after a chronic illness note from a physician is on file, a parent may write up to ten single-day absence notes. (2) After ten single-day absences have been documented by a parent's note, all subsequent absences must be verified by a physician's note. (3) All multi-day absence events must be documented by a physician's note. (4) Any parent or physician's note that relates to a chronic illness must be specific in nature, i.e. the note must state the chronic condition as the reason for the absence. (5) Should the status of the chronic illness change, the parent must notify the health office. (6) The chronic illness diagnosis must be renewed annually, at the beginning of the school year, by the physician. The chronic illness may be verified by the school nurse and/or school doctor.

All notes must be submitted on the day the student returns to school from an absence. Only original doctor's notes will be accepted. Photocopies are not permitted. Chronic illness notes submitted three school days following an absence will not be retroactively excused. In questionable circumstances, the school reserves the right to request an updated doctor's note

for the chronic condition or confirmation that the diagnosing doctor is still treating the student for the chronic condition.

VACATION

Please be advised that **a vacation taken while school is in session will be considered an unexcused absence.**

DROPPED FROM THE SCHOOL ROLLS

A pupil above the compulsory school age of sixteen (16) who is absent more than ten (10) non-consecutive days and/or who establishes a pattern of inconsistent attendance, and who does not appear on home instruction, and/or is not medically verified as incapacitated, will be issued a written notification to report back to school within five (5) days, and attend regularly thereafter. Failure to do so will result in being dropped from the roll, and the presentation of a written petition to the school principal for re-admittance will be required.

LOSS OF COURSE CREDIT FOR ABSENCES

Any student attending Glassboro High School who exceeds ten (10) unexcused absences forfeits the opportunity to gain course credits for all classes attempted.

For the purpose of record-keeping, a grade point average of 50 (No Credit) will be issued regardless if the earned grade is higher than 50. If a student earns 45 for a marking period for which he/she received an NC, that NC will equate to a 45. A numerical score of zero (0) will be assigned to an NC for the fourth quarter.

ATTENDANCE LETTERS

- When a student reaches **five (5) unexcused absences**, a warning notice will be sent home detailing our attendance policy, and a phone call will be made to the parent/guardian to inquire about the absences.
- At **eight (8) unexcused absences**, a meeting with the student will be scheduled, and a Truancy Warning Letter will be sent home informing parents/guardians that additional absences will be brought to the court's attention. Note - The administration strongly encourages students to schedule and attend credit recovery upon reaching eight (8) unexcused school days to prevent truancy charges from being filed upon reaching ten (10) unexcused days.
- Upon reaching **ten (10) unexcused absences**, a meeting with a parent/guardian will be required to develop a Credit Recovery Plan. In addition, **pursuant to N.J.S.A. 18A:38-27, a Truancy Officer will visit the residence and a mandatory referral for truancy charges will be made pursuant to NJSA 18A:38-25.**
- At **fifteen (15) absences**, a letter will be sent warning the parent/guardian that eighteen absences will result in loss of credit and alternative placement.
- Once a student reaches **eighteen (18) absences**, they will lose credit for the year regardless of earned grade. In addition, the student will be placed in an alternative educational setting.

EARLY DISMISSAL

Students who sign out prior to 11:30 a.m. will be considered absent for the day.

UNEXCUSED TIME OUT OF CLASS

Cutting class and/or being out of class for ten (10) minutes or more without prior authorization for such an extended period of time will be marked absent from said class and will receive discipline in accordance with the student code of conduct. **Unexcused absences accrued due to cutting class cannot be made up by attending Credit Recovery.**

ABSENCE NOTES

Notes for absences must be submitted to the attendance office within two (2) days of the absence(s).

MAKE-UP WORK

The deadline for make-up work is equal to the consecutive number of days a student was absent from school. A student who missed an assessment because of an excused absence shall be offered an opportunity to take the assessment or an alternative assessment. The rescheduled date shall not exceed the number of days absent.

CREDIT RECOVERY

Students may attend Credit Recovery in effort to earn credit for unexcused absences. A total of five (5) school days may be made up. For each unexcused absence, a student must attend two (2) credit recovery sessions from 2:00 – 5:00 P.M. The number of days in which a student is able to schedule Credit Recovery (CR) is limited. Therefore, administration strongly encourages students to schedule and attend CR upon reaching eight (8) unexcused school days to prevent truancy charges being filed upon reaching ten (10) unexcused days.

EIGHTEEN-YEAR-OLD STUDENTS

At no time will 18-year-old students be permitted to sign out of school without officially declaring the age of majority and demonstrating his/her emancipation from his/her parent(s)/guardian(s). Please note that once a student declares the age of majority, i.e. 18, and effectively demonstrates his/her emancipation, the school will sever all educational ties with the student's parent(s)/guardian(s), and will deal directly with the student regarding all educational matters. Students may declare majority status by expressing in writing their wish to exercise their rights to the high school principal. **It will then be up to the student to demonstrate his/her emancipation to the administration by providing evidence of his/her financial and living independence from his/her parent(s)/guardian(s).** Upon receipt of the student's declaration of the age of majority, the administrative staff will contact the student's parent(s)/guardian(s) to advise them of the declaration, as well as the age of majority and emancipation. Any parent wishing to object to such a declaration may do so in writing to the Glassboro High School Principal.

CODE OF CONDUCT

BEHAVIORAL INTERVENTION OPTIONS

Teacher Lunch Detention (TLD)

Teacher Lunch Detention (TLD) is designed to give teachers the use of another corrective measure to change a student's behavior with regard to classroom misconduct and tardiness. Teachers may assign lunch detention as necessary to address inappropriate behavior. In accordance with the Code of Conduct, failure to report to TLD or follow the established guidelines will result in further disciplinary action.

Administrative Lunch Detention (ALD)

Administrative Lunch Detention (ALD) is the primary behavioral intervention used to address most Tier I and Tier II discipline code violations. *Note - In accordance with the Code of Conduct, failure to report to ALD or follow the established guidelines will result in further disciplinary action.*

After School Detention (ASD)

Tuesday and Thursday from 2:00 – 3:00 P.M.

ASD is provided by the school as an intermediate step prior to an extended school day or more serious measures and serves to warn students that continued misbehavior will result in consequences that are more serious. Assignments to ASD are made by administrators. ASD begins at 2:00 P.M. and concludes at 3:00 P.M. Tardiness is not permitted; thus, failure to report on time is treated as a "no show," and the student may be assigned additional days or suspended (repeat offenses). A student who fails to report to or cooperate while in ASD will be referred to an administrator and disciplined with appropriate consequences that may include additional extra dates in ASD or an ESD.

Extended School Day (ESD)

Tuesday and Thursday from 2:00 – 5:00 P.M.

An ESD is provided by the school for students who commit serious infractions that warrant more than ASD or for those who are repeat offenders. Assignments to ESD are made by administrators. Students who are assigned ESD will attend school and follow their regular assigned schedule from 7:30 a.m. to 2:00 P.M. After the regular school day is over, these students will then report to the designated ESD classroom (as determined by administration). ESD is an additional three hours of school; it begins at 2:00 P.M. and concludes at 5:00 P.M. Students are responsible for providing their own transportation home. Tardiness is not permitted; thus, failure to report on time is treated as a "no show," and the student may be assigned additional days or suspended (repeat offenses). A student who fails to report or cooperate while in ESD will be referred to an administrator and disciplined with appropriate consequences that may include additional extra dates in ESD or possible suspension from school. ESDs are held on Tuesdays and Thursdays. **While assigned to an ESD,**

students are not allowed to practice or participate in any extracurricular activities, e.g. athletics, clubs, concerts, field trips, etc.

Out-of-School Suspension (OSS)

Students who commit major and serious infractions or who are repeat offenders may face out-of-school suspension (OSS), which is a denial of school attendance and of participation in or attendance at school-sponsored activities. Such suspensions are made by the administration in accordance with the policies of the Glassboro School District. All suspensions may be appealed to the Principal and are subject to Due Process Procedure.

When a student is suspended outside of school, a parent conference will be scheduled upon reentry. Upon return, the student will have the number of days equal to the number of days suspended to make up all work missed and to reschedule any missed assessments; however, making up class participation will not be possible, and grades will not be recorded. All assignments and assessments are to be given full credit if completed within the time allotted.

If a student is suspended from school for any reason, he or she is not permitted to participate in any school activities including, but not limited to, athletic events, practices, clubs, concerts, field trips, etc., nor is the student to be on school property on the date(s) of suspension. This also includes any weekend or holiday that may fall within the days of suspension. If the student is found on school property without administrative permission, he/she is subject to additional disciplinary action and possible trespassing charges. If school is closed due to inclement weather or another emergency on a day of suspension, the day is excluded from the count, and the suspension will continue on the day school resumes.

PASS RESTRICTION

Students who continually violate the code of conduct will be placed on pass restriction. Pass restriction lasts for a period of thirty (30) school days, during which time students may not leave the classroom without a staff escort.

ALTERNATIVE EVENING HIGH SCHOOL PLACEMENT

The Alternative Evening High School program is designed to meet the needs of students who are unable to navigate within the traditional school setting and who face academic, behavioral and/or attendance challenges that limit his/her success. The decision to place students into our AEHS is made in cooperation with the Child Study Team (if necessary), Guidance and Administration and/or recommendation by a parent or guardian.

Students attending our AEHS report to school from 2:30 PM to 6:30 PM. **Please note that our AEHS course offerings are limited.**

Students are placed into the AEHS for reasons including, but not limited to:

1. Four (4) Tier II offenses and/or Two (2) Tier III offenses
2. Out-of-school suspensions (OSS) totaling more than eight (8) school days and/or suspension from school on three different occasions (regardless of tier).
3. Excessive absences/truancies.
4. Failures in two (2) or more classes
5. **A discipline point total of fifty (50) points or more for a period lasting more than 45 school days. This includes points accrued from lateness to school.**

REMOVAL OF PUPILS FROM REGULAR EDUCATION

NJSA 2C; U.S.C.921

Any pupil who is convicted or found to be delinquent for the following offenses shall be immediately removed from the school's regular education program for a period of not less than one calendar year and placed in an alternative education school or program pending a hearing before the district board of education to remove the pupil:

- Possessing a firearm on any school property, on a school bus, or at a school-sponsored function or committing a crime while possessing a firearm.
- Any pupil who assaults a pupil, teacher, administrator, board member, or other school district employee with a weapon other than a firearm on school property, on a school bus, or at a school-sponsored function must be immediately removed from the school's regular education program and placed in an alternative education school or program.

PRINCIPAL'S PROBATION

Students who display a pattern of behavior that does not reflect our discipline code expectations will be placed on Principal's Probation and will be prohibited from participating in and/or attending extracurricular activities, including, but not limited to, dances/prom, clubs, athletic events, field trips/senior trips, shows, etc.

Principal's probation will be imposed for, but not limited to, a student who accumulates twenty-five (25) points or more. Students are placed on principal's probation for a minimum of thirty (30) calendar days. For students committing Tier III or Tier IV infractions, principal's probation begins on the date of the student's return to school from suspension. Academic activity such as after-school help or academic support is permitted while on probation but requires administrative approval.

NOTE: Any student found violating his/her probationary period will be subject to additional disciplinary action, including suspension and possible trespassing charges. All disciplinary actions taken are at the discretion of the principal or designee. Any student who is subject to probation for the remainder of the school year may appeal the probationary period to the principal. **The principal's decision is final.**

POINT SYSTEM

A points system is utilized to hold students accountable for their behavior and provide suggested guidelines for disciplinary action. The points system allows administration and staff to ensure that students conduct themselves in a responsible manner. When a student is found in violation of the Code of Conduct, he/she is given points according to the tier in which the violation is listed. These points accumulate through the course of the year. The numeric value of each tier is listed below:

- Tier I Violation = Five (5) points
- Tier II Violation = Ten (10) points
- Tier III Violation = Twenty-Five (25) points
- Tier IV Violation = Forty (40) points

POINTS ROLLBACK

For every thirty (30) consecutive days without incident/points, ten (10) points will be deducted from a student's yearly accumulated point total until the point total is zero. **When a student ends the current school year, all points will be rolled back to zero (0) for the next school year, with the exception of any points accrued during the last thirty (30) calendar days of school.** These will be held over to the following school year on the individual's point record.

POINTS ROLLBACK AND PRIVILEGED ACTIVITIES/EVENTS

If there is a disciplinary infraction prior to a privileged event such as graduation, prom, awards assemblies, etc., and there is not sufficient time for disciplinary points to rollback (i.e. less than 30 days prior to the event), then the consequence(s) may result in a loss of attendance and/or participation in events such as graduation, prom, assemblies, etc.

POINTS SYSTEM BENCHMARKS

As a student accumulates discipline points through the course of the year, disciplinary action will be taken in the following ways:

Fifteen (15) points: A written notice will be mailed to the parent/guardian.

Twenty-five (25) points: Once a student accumulates twenty-five (25) points, he/she will be placed on Principals Probation and will become ineligible for athletics, extracurricular activities, and school-related functions. In order to be eligible for reinstatement, a student's point total must drop to fifteen points or less, and he/she must go thirty consecutive days without incident/points. Upon reaching the aforementioned benchmarks, eligibility can be reinstated pending a meeting with a student's assistant principal.

The parent/guardian will be notified via a telephone call, a written notice will be mailed home, and the athletic director/extracurricular coach/advisor will be notified of the student's ineligibility.

PUPIL DISCIPLINE/CODE OF CONDUCT

[Glassboro School District Board of Education – Policy #5600](#)

The discipline code is intended as a guideline for interpreting the possible disciplinary action to be taken by faculty and/or administration for various disciplinary offenses. This discipline code is not all-inclusive and may be altered, modified, or applied in response to student conduct or events at any time deemed by the administration.

The discipline code can be applied progressively or at the discretion of the administration and may result in placement in the district's alternative program. It must be emphasized that actions taken by teachers and/or administrators are intended to remediate problems and provide a safe and secure environment for learning. Teachers are urged to contact parents about student disciplinary issues in the classroom in conjunction with teacher warnings, teacher detentions, and administrative referrals.

GLASSBORO HIGH SCHOOL CODE OF CONDUCT

RESTORATIVE JUSTICE

As part of Glassboro's SEL Program, twice a month, students may earn ten (10) points for attending Restorative Justice workshops (**20 pts. per month**). Restorative Justice workshops cover a wide range of topics to help students with mindfulness, building community, and strengthening relationships, among other topics that benefit their social-emotional well-being. Please note that workshops are voluntary. In addition, students wanting to participate must be clear of any outstanding discipline. *Ex – Attend two Restorative Justice workshops (-20 pts) + 30 days' discipline free (-10 pts) = -30 pts in one month*

CONSEQUENCES AND HOURS

ALD - Administrative Lunch Detention: (30 min.) **FTS** - Failure to Serve/Appear
ASD - After School Detention: 2:00-3:00 P.M. (1 hr.) **OSS** - Out of School Suspension
ESD - Extended School Day: 2:00-5:00 P.M. (3 hrs.)

PRINCIPALS PROBATION

Once a student reaches twenty-five (25) points, he/she will become ineligible for athletics, extra-curricular activities, parking, early release, and all school-related functions until the student's point total reduces to fifteen points and the student has gone thirty days without earning any additional points/discipline.

VIOLATIONS BEYOND THE CODE

Unfortunately, violations can occur in the high school setting beyond what is described below. When these violations occur, they need to be dealt with more severely because of the implications they can have and for the safe, orderly operation of our school. Discipline will begin at a minimum of the third offense.

SUBSTANCE ABUSE

[Glassboro School District Board of Education – Policy #5530](#)

The Board of Education recognizes that a student's abuse of harmful substances seriously impedes that student's education and threatens the welfare of the entire school community. The Board is committed to the prevention of substance abuse and the rehabilitation of substance abusers by educational means but will take the necessary and appropriate steps to protect the school community from harm and exposure to harmful substances.

SMOKING/USE OF TOBACCO AND/OR ELECTRONIC SMOKING DEVICES

Laws and/or Board of Education Policy do not allow smoking on school property. This also includes while a student is participating in a school-sponsored event/field trip. The use of tobacco and tobacco products (of any form) is prohibited. On January 11, 2010, New Jersey Governor Corzine signed into law A4227/4228, which bans the use of "electronic smoking devices" in public places and workplaces. (Amended the 2006 NJ Smoke-free Air Act). **Students found in violation of this policy will be administered discipline according to the Student Code of Conduct and are subject to a fine of not less than \$250 for the first offense, \$500 for the second offense, and \$1,000 for each subsequent offense.**

BREATHALYZERS

[Glassboro School District Board of Education – Policy #5535](#)

The Board authorizes the use of BACTRACK screening device(breathalyzer) before, during, and after school activities/events, including, but not limited to, dances, athletic events, proms, class trips, drama productions, graduation ceremonies, or school assemblies when the Building Principal or designee has reason to believe the use of alcohol by pupils may be present. *N.J.S.A. 40A-12; N.J.A.C. 6A:16-4.1 et seq.*

[Glassboro School District Board of Education – Policy #7444](#)

The Board of Education is committed to protecting the health, safety, and welfare of all children, staff, and visitors of the school district. The Board authorizes the school district administration to use walk-through and/or hand-held metal detectors at any school district activity and in the school district's buildings or on "school grounds". These metal detectors may be used for entrance into a school building, on "school grounds", as defined in N.J.A.C. 6A:16-1.3, or at any school district activity where the Superintendent or his/her designee believes a

security threat may be present. **Note – Metal detectors may also be used during a search when the administration believes that a student may be concealing unauthorized paraphernalia or a threat is present.**

SEARCH AND SEIZURE

[Glassboro School District Board of Education – Policy #5570](#)

School officials maintain the right to search a student's person and/or personal effects or vehicle whenever a school authority has reasonable suspicion to believe that the student is in possession of illegal or unauthorized materials. Examples of items subject to this regulation include but are not limited to, drugs, drug paraphernalia, weapons, pornography, stolen goods, firearms, explosives, alcohol, tobacco, electronic cigarette devices, or cigarette lighters. Under no circumstances shall a search be conducted based solely upon an anonymous tip and /or a rumor that contraband is present. The extent or scope of the search shall be reasonably related to the objectives of the search and not excessively intrusive in light of the age and sex of the pupil and the nature of the infraction.

As a reminder, **student lockers are school property and remain at all times under the control of the school. School authorities may conduct periodic general inspections or searches of lockers at any time without notice, without student consent, and/or without a search warrant.** To aid in maintaining the safety and well-being of our students, and the safety of our campus, K-9 officers (drug dogs) may be used to sweep hall lockers or cars parked on school property.

REASONABLE SUSPICION

Alcoholic Beverages and Controlled Dangerous Substances

Procedures:

1. If there is reasonable suspicion that a student may possibly be under the influence or impaired (slurred speech, excessive sleepiness, erratic behavior, decreased motor skills, etc.), that student is referred immediately to the school principal or designee.
2. Pursuant to *NJSA 18A:40A-12 and NJAC 6A: 16-4.3(a)2ii*, the student is given a brief examination by the school nurse to ensure he or she is not in immediate danger. Refusing the required medical examination will be considered an admission of use.
3. Upon examination, if reasonable suspicion exists,
 - i) Administration has the right to require a student to undergo a drug screening and to search the student as well as his or her belongings.
 - ii) The parent/guardian will be contacted and must transport the student to the District's contracted vendor for a drug test and full examination immediately following pick up from school. Note - The parent/guardian may choose to use his or her own physician to conduct the test and examination at parent/guardian expense.

4. **A positive screening will result in discipline, as outlined by the code of conduct and principal's probation. A diluted result, inconclusive outcome, or untestable specimen will be treated as a positive result.**
5. If a student is suspected of being under the influence and admits use, the above procedures will continue to be carried out to ensure the health and well-being of the student. As a result of admission, the student will be disciplined according to District policy and procedures.
6. **Failure to comply with district policy and procedures will result in immediate suspension according to Board Policy and Student Code of Conduct and may result in alternative placement.**
7. A Principal's Meeting will be scheduled upon reentry to school to discuss further expectations and actions.
